This list is in no way an exhaustive or complete statement of all requirements and provisions that might be applicable. The ***Italic*** descriptions are areas which MDI frequently requires Insurers to make revisions of their policies or contracts. With respect to ordinary Life & Annuities, the remaining provisions are similar in substance to industry standards and NAIC model regulations. **Please refer to the statues and regulations for exact wording of requirements or prohibitions. The language within the Missouri Statues and Regulations always prevails over these checklists.**
